

MdS Finance Commission 2018 Goals

- Plan and execute Session approved plan to deal with the current 2017 income and capital deficit during the balance of 2017; with the possible need to extend into 2018.
- Produce Session approved 2018 balanced budget.
- Review and document expenditure procedures for checks, card and other payment methods to ensure expenses are appropriate, authorized and reported adequately.
- Schedule and complete education sessions for commission, deacon leaders and staff related to finance and expenditure procedures.
- Complete activity to review Church Management Software System (i.e. replace Shelby), make recommendations, and execute on the plan.
- Produce a current Finance Procedures Manual.
- Conduct and conclude 2017 audit.
